

You should have created a username and password when you first obtained your business license. That account information is what you will use to log into TNTAP. Go to www.https://tntap.tn.gov/eservices and follow the steps below to print your Anderson County license.

TNTAP – How a Taxpayer Prints License

The screenshot shows the TNTAP web interface. At the top, there is a header with the TNTAP logo and user information: "Welcome, NAME", "You last logged in on Monday, Sep 20, 2021 1:12:23 PM", and a "Manage My Profile" link. Below the header, there are several sections:

- Additional Actions:** A sidebar menu with "Business Tax" (123457890-BUS) and "NAME". A "View Licenses" button is highlighted with a red box and the number 2.
- Account:** A section showing "123457890-BUS" and a balance of "\$0.00". A "View Licenses" button is highlighted with a red box and the number 1.
- Business Tax Licenses:** A table with columns: District Office, Location Id, Locator Name, Location Address, and Expiration. Two rows are shown: "County" and "City". Each row has a "View License" button highlighted with a red box and the number 3.
